Player Registration Form for the Adapted Game of Tag Rugby for People with Learning Disabilities

Dear Parent / Carer,

Welcome to Ballymena RFC Bears. All new players to our club and the adapted game of tag rugby for people with learning disabilities must complete the attached 'Player Registration Form'. The purpose of the form is to gather information about the player, with a view to ensuring he/she can enjoy their involvement with the club in an inclusive and safe environment. All information supplied will be processed in compliance with the Data Protection Act 1998.

I would like to take this opportunity to refer you to **Section 5 of the 'Player Registration Form' entitled 'Disclaimer'**. This section records the fact that the player is participating in the adapted game of tag rugby for people with learning disabilities entirely at his / her parents / carers own risk.

I specifically refer to **Section 5** of the '**Player Registration Form**' because player safety at Ballymena RFC Bears is paramount. **Section 5** provides advice to parents / carers if they have any medical concerns about the player's participation. If parents / carers have any medical concerns about the player's participation in the game of tag rugby for people with learning disabilities, then Ballymena RFC Bears strongly recommend you consult with your General Practitioner.

If you have any questions regarding the '**Player Registration Form**' or the player's participation in the adapted game of tag rugby for people with learning disabilities, contact:
